- All our resorts in Mexico and Jamaica will offer easy, onsite pre-departure COVID-19 antigen (rapid) testing.
- These tests are at no cost to you and are part of your resort stay.
- Tests will be conducted on property (for up to two guests per room) traveling to the United States.
- Additional rapid tests will be available at a minimal cost of \$19 per guest.
- Testing will be administered by our experienced in-house lab teams.
- Receive results within 30 minutes, and documentation will be prepared for you to present at the airport before your journey home.
